

A Square World  
Social story for relaxed performances

This is a picture of the performer Daryl Beeton

You will also see things like this on the stage.

Z

## **During The Performance**

Daryl will sit behind a table and make shapes with the props

Sometimes they will talk in funny voices

Sometimes there will be disco lights

Daryl will pretend to be different characters to tell the story.

Daryl will use objects and pretend they are real people.

Sometimes the story can be a little bit sad, sometimes funny and sometime just silly.

The lights will change to show day & night.

There will be an opportunity at the end to meet the performer and the character in the story

## **What Happens At The End**

At the end of the performance, the audience clap their hands to show that they have enjoyed the performance.

You can clap your hands too, if you would like to. If the clapping is too loud you can cover your ears.

Daryl will then invite you up to have a play at making some shapes

You can take photos at the end of the performance and have your photo taken with the Daryl if you would like to.
