There are family toilets and an accessible toilet in Z-café. They are on the left when you are facing the counter.

There is a second entrance and exit door located in the café next to the toilets.

In Z-café, go up the stairs that go above the double doors which lead to Box Office.

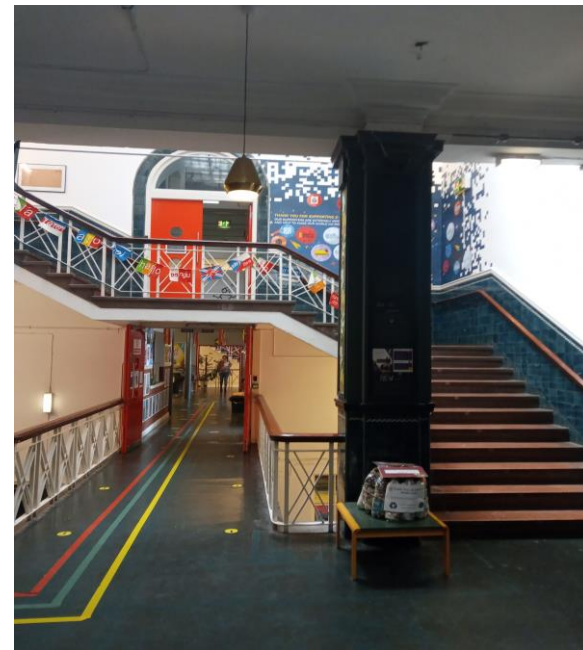

When you're half way up the stairs, there is a set of red double doors with two holes in. Go through these and up another short set of stairs on your left.

Then take another left, past the elevator and straight through the white double doors, into STUN Studio.

A Z-arts staff member will direct you to the studio when the show is about to begin!

If you need to take the lift, speak to one of the stewards. There are two lifts you can take, and they will direct you to the most convenient one.
