Fairy Tales

An interactive world of play and storytelling. For 0-8-year-olds and their grown-ups...

Once upon a time, there were three bears, and they owned a little Bed and Breakfast in the forest. Step into a fairy tale town and through into the woods to discover a world of giants,

palaces, gingerbread houses and treasure caves. Trip trap over a bridge (but watch out for the troll!), join in the palace disco with the musicians of Bremen, sit in a giant's footprint, visit the market and help Jack win some magic beans, and much more. Tickets for our endlessly magical and super popular interactive Fairy Tales exhibition get snapped up fast!

A place where children and families can read, imagine, connect, create and have fun. Our library is home to lots of books that celebrate diversity! Keep an eye out on our website for more library events and activities.
