Discover Children's Story Centre
Rob Biddulph

“Thanks so much for everything, it was an absolutely fantastic trip all round and the children just got so, so much from it all. They loved the exhibition, workshop, and the booklets that they got to work in and take home, they were all so excited and proud of themselves. An absolute delight!”
Teacher, St. Antony's Catholic Primary School

THE 100 STORY HOTEL

Hello and welcome!

Please, come on in. Clive the Concierge can take your bags. We know he's rather hairy and his claws are sort of long, but what else can you expect from a polar bear?

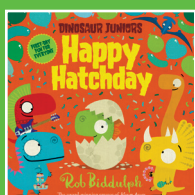

Created with bestselling, multi-award-winning author and illustrator Rob Biddulph.

This interactive world of play and storytelling is for schools too!

Drama & Storytelling workshops by learning stage

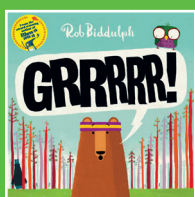

EYFS: 'Happy Hatchday'

In this workshop children will learn about topics such as what it means to be inclusive, why it important to try new things and make new friends. The workshop will focus on character exploration and development, and how we can create our own story and plan our own party with our friends! There may even be a disco!

This session will be all about adventure! Thinking about what makes a good adventure story, imagining lots of places, and travelling in different ways and what do we need to take with us?

KS2: 'Grrrrr!'

Taking the theme of The Bear Olympics from the story, children will work in groups to think up their own ideas for an unusual Olympics, what would they include? What would be the purpose and who would it be for? This workshop is all about teaching the children about trying your best, building your resilience and giving things a good go!
