Entrance

When you enter Z-arts through the **Main Entrance**, you will see a poster, some plants, a fish tank, and some steps. On your left, there is a ramp.

If you go up the ramp or up the steps which are straight ahead, you will get to our Box Office desk.

What should I do when I arrive at Box Office?

This is what you will see as you go up the ramp or climb the steps towards Box Office.

We have ear defenders and fidget toys available at Box Office if you need them.

The person at the desk will help you and can point you in the right direction.

Z-café

If you look to your left when you're standing facing the Box Office desk, there is a corridor with lots of posters. This takes you through to Z-café.

You can buy food and drink from the counter at Z-café. There are vegan and vegetarian options, and we cater to a variety of other dietary requirements.

There are lots of places to sit and relax in Z-café.

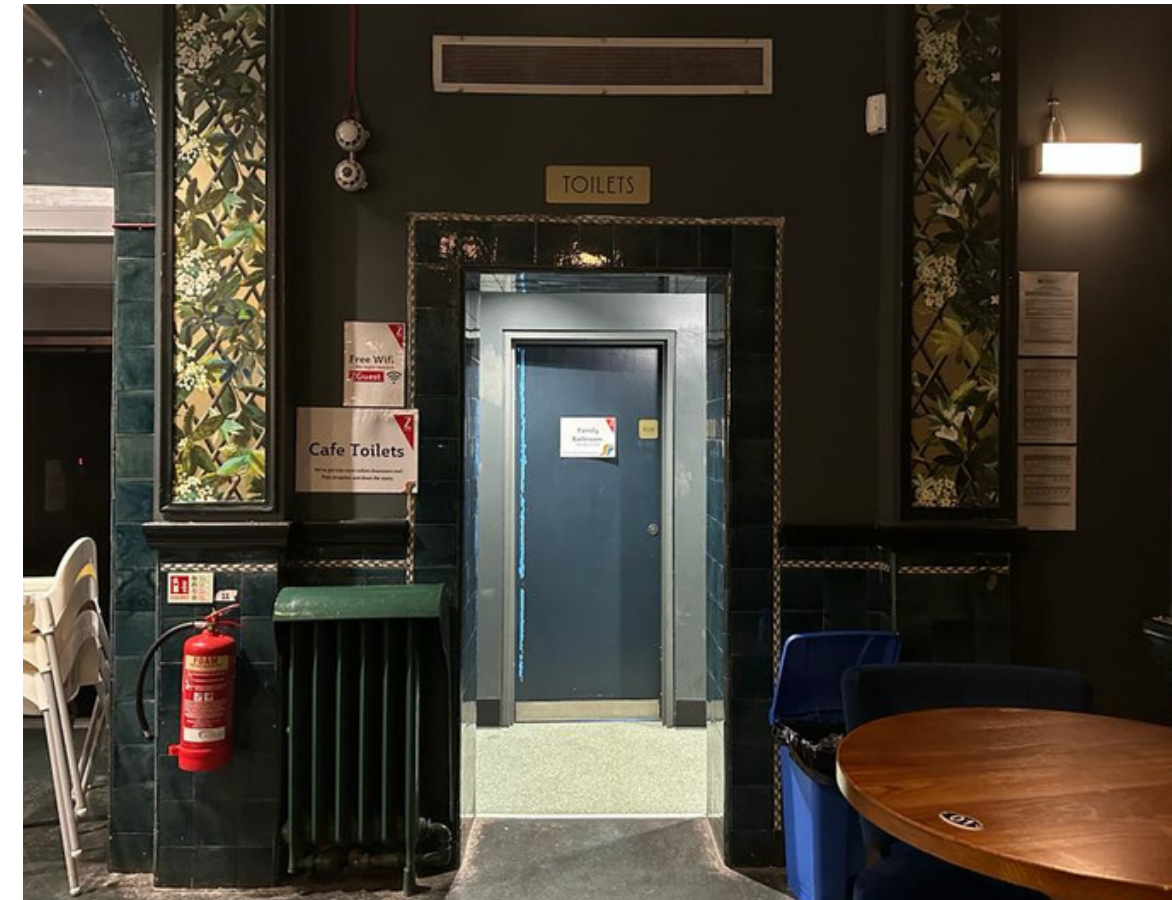

Toilets

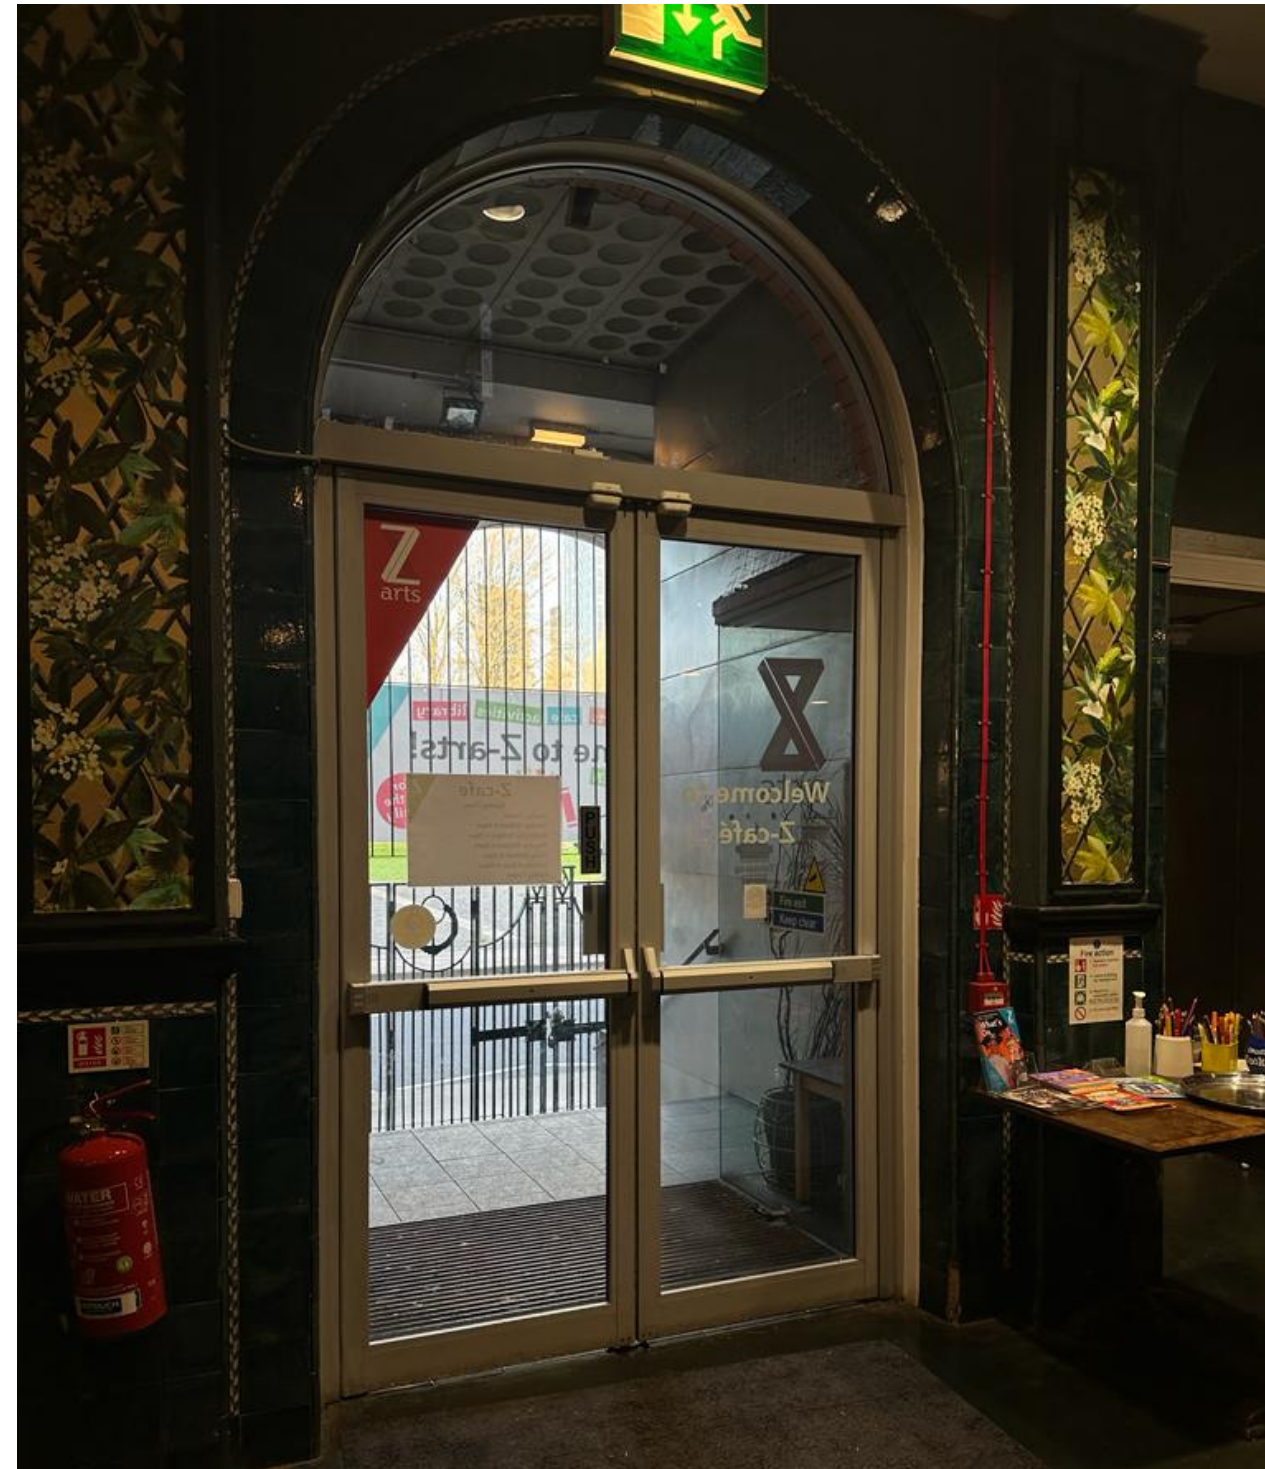

There are plenty of toilets in Z-café, including an accessible toilet.

They are on the left when you are facing the counter.

If you want to use a different toilet, or all these ones are busy, please ask a member of staff at Z-café or at Box Office.

Z-café

There is a second entrance and exit door located in the café next to the toilets.

Theatre Corridor

In Z-café, next to the seating area, there is a black door with two small circular windows.

When you go through that door, go down to the end of the corridor.

On your left is a door which takes you through to the theatre.

A Z-arts staff member will direct you to the theatre when the show is about to begin!

The Theatre

When you enter the theatre, there will be a Z-arts staff member there to guide you.

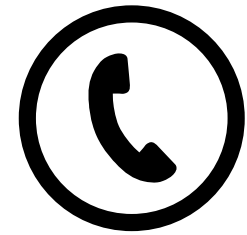

If you feel uncomfortable, unwell or need to go to the toilet during the show, you can leave the theatre the same way you came in.

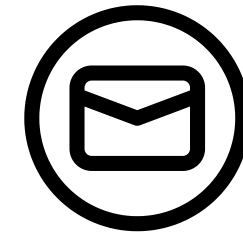

Get comfy and relax. The show is about to start!
