## During the show

Our shows are written specifically for children aged 3+

The show is 60 minutes long. It doesn't have an interval.

If you need to leave during the show, that's ok. You can come back in when you're ready.

You might feel happy or sad during the show which is ok.

You might want to clap and sing along, and make noises of your own.

Sometimes Hare, Tortoise and Time will ask you to join in!  
This is voluntary - it's totally up to you.

On stage, there will be instruments - the majority of the music comes from these. Some music will come from elsewhere.

There is soft lighting throughout the show.

After the show you can meet Hare, Tortoise and Time.
